

CHAPTER 250. HIGHWAYS

STATE REWARD TRUNK LINE HIGHWAYS

Act 334 of 1913

250.1-250.9 Repealed. 1958, Act 77, Eff. Sept. 13, 1958;—2000, Act 324, Imd. Eff. Dec. 4, 2000.

TRUNK LINE HIGHWAYS

Act 19 of 1919

250.31-250.41 Repealed. 1957, Act 262, Eff. July 1, 1957.

TRUNK LINE HIGHWAYS

Act 17 of 1925

AN ACT to provide for the construction, improvement and maintenance of trunk line highways.

History: 1925, Act 17, Eff. Aug. 27, 1925.

The People of the State of Michigan enact:

250.61 State trunk line highway; expense and liability; relief of local units.

Sec. 1. On and after January 1, 1960, the cost of constructing, improving and maintaining trunk line highways shall be met entirely by the state, and the counties, townships and incorporated cities and villages shall thereafter be relieved of all expenses and legal liabilities in connection therewith as imposed by section 21 of chapter 4 and chapter 22 of Act No. 283 of the Public Acts of 1909, as amended, being section 224.21 and sections 242.1 to 242.8 of the Compiled Laws of 1948.

History: 1925, Act 17, Eff. Aug. 27, 1925;—CL 1929, 4425;—CL 1948, 250.61;—Am. 1959, Act 185, Eff. Mar. 19, 1960.

250.62 Construction, improvement, and maintenance of trunk line highways; authority of state transportation department; contracts and subcontracts; periodic reports on extra work or labor; emergency action.

Sec. 2. (1) The state transportation department may contract with boards of county road commissioners, township boards, and municipalities of this state, or with any other person, persons, firm, or corporation for the construction, improvement, and maintenance of trunk line highways, or it may do the work on state account. The state transportation department, subject to the approval of the state administrative board, shall do all acts or things necessary to carry out the purpose of this act. The state transportation department, without approval of the state administrative board, may contract for extra work or labor, or both, not exceeding \$80,000.00 per contract for contracts having a value of \$800,000.00 or less and not exceeding 10% per contract for contracts having a value over \$800,000.00 under a contract with a private agency authorized by this section, and for an amount not exceeding \$800,000.00 under a contract with boards of county road commissioners, township boards, and municipalities of this state, except that each job for extra or additional work or labor, or both, in excess of \$250,000.00 shall require approval of the state administrative board.

(2) The state transportation department, without approval of the state administrative board, may contract, for an amount not exceeding \$100,000.00 for each contract, for toilet vault cleaning, use of licensed sanitary landfills, pickup and disposal of refuse, roadside mowing, roadside park and rest area maintenance, pavement surfacing and patching, rental of equipment for emergency repairs and maintenance operations, highway drainage, curb replacement, maintenance of office equipment, installation of utility services, installation of traffic control devices, and other highway operational activities. The state transportation department, without approval of the state administrative board, may authorize boards of county road commissioners, township boards, and municipalities, under contracts for the maintenance of trunk line highways, to subcontract in amounts not to exceed \$100,000.00 for each subcontract. The \$100,000.00 limit for subcontracts in this subsection is for total expenditures, including cost overruns and extras. The dollar amount limits provided by this subsection shall be adjusted on February 1 each year based on the percentage increase or decrease of the Detroit consumer price index for the 12-month state fiscal year ending the preceding September 30. The adjustment shall be determined by multiplying the percentage increase or decrease in the Detroit consumer price index times the dollar limitation provided by this subsection and adding the product to the dollar limitation for the previous year as adjusted by this subsection.

(3) The state administrative board may require that the state transportation department file periodic reports with the board on those contracts or authorizations for extra work or labor, or both, that do not require approval by the state administrative board. The state administrative board shall establish by resolution standards and procedures for these periodic reports.

(4) The state transportation department, without approval of the state administrative board, may contract with a person, business, or governmental unit described in subsection (1) or (2) in a reasonable amount under conditions that the department determines will require emergency action if a written report of the nature of the contract and the emergency are transmitted immediately to the state administrative board after the contract is entered into.

Aug. 16, 1971;—Am. 1976, Act 73, Imd. Eff. Apr. 7, 1976;—Am. 1987, Act 188, Imd. Eff. Dec. 2, 1987;—Am. 2001, Act 279, Imd. Eff. Jan. 11, 2002.

TRUNK LINE HIGHWAYS THROUGH STATE PARKS OR PROPERTY
Act 77 of 1929

AN ACT to provide for the laying out and establishing of trunk line highways through state parks or state institutional grounds, and to connect them with the state trunk line highways, and maintain them.

History: 1929, Act 77, Eff. Aug. 28, 1929.

The People of the State of Michigan enact:

250.71 State trunk line highways through state parks and property; construction.

Sec. 1. The state highway commissioner, subject to the approval of the state administrative board and highway advisory board, is hereby authorized and directed to lay out and establish trunk line highways and other highways as are necessary to, upon or through state parks or other state property, and to build connections between state trunk lines and highways, running to, upon or through state parks and other state property: Provided, That such highways, if and when laid out and established, shall be a part of the total mileage authorized for such year.

History: 1929, Act 77, Eff. Aug. 28, 1929;—CL 1929, 4427;—CL 1948, 250.71.

250.72 State trunk line highways through state parks and property; maintenance; consent for certain highways.

Sec. 2. The state highway commissioner is further authorized to maintain and improve trunk lines or other highways traversing or upon state parks or other state property, and the connecting trunk lines with the above highways in the same manner as state trunk line highways are required by law to be maintained and improved: Provided, That no such trunk line highways or other highways be laid out and constructed, maintained and improved on any property owned by the Michigan state board of agriculture or the regents of the university of Michigan, unless the Michigan state board of agriculture or the regents of the university of Michigan, as the case may be, by resolution approved by 2/3 of its members respectively gives consent to that effect.

ACCESS ROADS OR BRIDGES ON STATE PROPERTY
Act 90 of 1941

AN ACT to provide for the construction, improvement and maintenance of roads and bridges on state property; and to prescribe the powers and duties of the state highway department with respect thereto.

History: 1941, Act 90, Imd. Eff. May 16, 1941.

The People of the State of Michigan enact:

250.91 Access roads and bridges on state property; state highway department to construct; engineering assistance to department of administration.

Sec. 1. It shall be the duty of the state highway department to construct, improve and maintain all access roads or bridges on state property, including the property of state institutions, but not including property under the jurisdiction of the department of conservation. Maintenance of roads shall also include the removal of snow and ice.

The state highway department shall provide the department of administration with such technical engineering assistance as the latter may request in arriving at the proper estimated cost of projects recommended to the legislature under the provisions of this section.

History: 1941, Act 90, Imd. Eff. May 16, 1941;—CL 1948, 250.91;—Am. 1953, Act 106, Eff. July 1, 1954.

250.92 Request for construction or repair; recommendation to legislature.

Sec. 2. When any state department, board, institution or commission shall consider it in the interest of the state that any access road or bridge on property under its control is in need of construction, improvement or maintenance, they shall present a request to the state department of administration, setting forth the necessity of such construction, improvement or maintenance, and the state department of administration shall present its recommendations to the legislature for the making of specific appropriations for the project or projects out of the state trunk line fund.

History: 1941, Act 90, Imd. Eff. May 16, 1941;—CL 1948, 250.92;—Am. 1953, Act 106, Eff. July 1, 1954.

250.93, 250.94 Repealed. 1953, Act 106, Eff. July 1, 1954.

Compiler's note: The repealed sections pertained to authority of state administrative board and highway advisory board, and empowered state highway department to construct or repair access roads and bridges.

ADDITIONAL TRUNK LINE MILEAGE
Act 19 of 1919 (Ex. Sess.)

250.101 Repealed. 2000, Act 325, Imd. Eff. Dec. 4, 2000.

ADDITIONAL TRUNK LINE MILEAGE

Act 12 of 1925

AN ACT to provide for the laying out and establishing of additional trunk line mileage; to make all roads that have been improved as federal aid projects, and all roads that have been, or that may hereafter be, approved for federal aid, trunk line highways; to provide for the widening, altering or straightening of trunk line highways; to provide for the abandonment, alteration or change of any portion of the trunk line highway; and to repeal all acts and parts of acts inconsistent herewith.

History: 1925, Act 12, Eff. Aug. 27, 1925;—Am. 1929, Act 74, Eff. Aug. 28, 1929.

The People of the State of Michigan enact:

250.111 Additional trunk line highways; federal aid project roads declared trunk line highways.

Sec. 1. The state highway commissioner, subject to the approval of the advisory board to the state highway commissioner and state administrative board, is hereby authorized and directed to lay out and establish not to exceed 500 miles of additional trunk line highways on such routes as are best adapted for serving the demands of public travel in various sections of the state. In addition, all roads that have been improved as federal aid projects, and all roads that have been, or that may hereafter be, approved for federal aid, shall be trunk line highways and subject to all provisions of law relating thereto.

History: 1925, Act 12, Eff. Aug. 27, 1925;—CL 1929, 4430;—CL 1948, 250.111.

250.112 Repealed. 2002, Act 253, Imd. Eff. May 1, 2002.

Compiler's note: The repealed section pertained to widening or altering trunk line highway.

250.114 Trunk line highway route; alteration, abandonment, hearing of objections; new lines, approval.

Sec. 4. The state highway commissioner, subject to the approval of the advisory board of the state highway commissioner and state administrative board is hereby authorized to change, alter or abandon the location of any portion of any trunk line highway now established or which may hereafter be established by legislative authority whenever such change, alteration or abandonment will, in their opinion, best serve the public interest and will not increase the trunk line mileage: Provided, That the state administrative board shall, before approving the abandonment of any portion of a state trunk line highway, hear the objection of any county road commissioners or the governing body of any township, city or village to whose jurisdiction such portion of state trunk line highway would return if abandoned and such county road commission or the governing body of any township, city or village shall be given 30 days' notice by the secretary of the state administrative board of such hearing of abandonment. Any mileage saved by such change, alteration or abandonment of location may be used in the establishment of new trunk lines on routes to be determined by the state highway commissioner, subject to the approval of the advisory board of the state highway commissioner and state administrative board.

History: Add. 1929, Act 74, Eff. Aug. 28, 1929;—CL 1929, 4433;—Am. 1943, Act 168, Imd. Eff. Apr. 17, 1943;—CL 1948, 250.114.

250.115 Trunk line highway; abandonment of part of right of way; easement for public utilities.

Sec. 5. When the board of county road commissioners or the governing body of the city or village to whose jurisdiction any trunk line highway would return upon relinquishment of jurisdiction by the state, by resolution, indicates that it does not wish to accept jurisdiction of the entire width of the right of way of such trunk line highway, the highway commissioner is hereby authorized and empowered to absolutely discontinue and abandon that part of the width of the right of way not accepted. Upon the absolute abandonment and discontinuance of any part of the width of the right of way of a state trunk line highway, public utilities shall have the easement and right to maintain, alter or remove all facilities existing in that portion of such highway absolutely discontinued and abandoned, and the highway commissioner shall make note of such easement and right in the order of discontinuance and abandonment. The commissioner shall record the order in the appropriate register of deeds office. The recording of the order shall constitute the final and absolute abandonment of the portion of the width designated.

History: Add. 1962, Act 62, Eff. Mar. 28, 1963.

ADDITIONAL TRUNK LINE MILEAGE
Act 61 of 1927
